Dear valued community member,

On May 30<sup>th</sup> 2014, the students of Grimsby Secondary School are hosting a 24 Hour Famine fundraising event for Wells of Hope. Founded in 2004 by Ted Vander Zalm and his wife Miriam, Wells of Hope is a team of numerous volunteers based in the Niagara region that works to provide clean drinking water, basic healthcare, and education to the poorest of the poor living in Guatemala. We have been working tirelessly to make this event the biggest success it can be, but in order to make the biggest contribution, and make the biggest difference, we are reaching out to local businesses to participate.

Our fundraising goal is \$10,000 but with such a supportive community, who knows what is possible! Every contribution, regardless of how big or small, makes a huge difference in the lives of the people touched by Wells of Hope.

## DONATION OPTIONS

1. Your business can make a donation of ANY amount. Your business will be thanked publicly during the community hours of the event and your logo will be present on posters throughout the school. You will also receive a sponsorship certificate thanking you for your generosity to post in your establishment.

Your business will be thanked publicly during the community hours of the event and your logo will be present on posters throughout the school. We hope you are able to take advantage of this opportunity to support us in our fundraising efforts and hope to hear from you soon!
